JANUARY PROGRAM

18 January 2017

“Cathedrals Built by Masons”

Brethren please plan to join us at the January Stated Meeting for a special educational program presented by IB Russ Herner on his book *Cathedrals Built by Masons*. He spent over 20 years traveling Europe learning how operative Masons constructed these grand buildings, and how their experiences translated into speculative Masonry. He will have many actual working tools on display that date back as far as the 1500's. This will be a unique opportunity for all of us to receive further light in Masonry from one of our most knowledgeable brothers.

FROM THE EAST – NEW MASTER

WBro Peter A. Dame was raised in McMillan Lodge #141 on October 27th, 2010. He was introduced to Masonry by WB Michael K. Sims, who was Worshipful Master of McMillan Lodge during 2016 and will now serves as the Lodge's Chaplain.

Bro Pete is looking forward to working with the new slate of officers as they continue to build upon the proud legacy of McMillan Lodge. WB Bro Mike Sims set a very high bar with his successful year in the east, and this year's officers are ready to accept the challenge.

Grand Master Class

MWBro Douglas N. Kaylor, GM Has announced that 25 March 2017 the Grand Lodge of Ohio will be holding a Grand Master's Class.

The GM Class for the 1st Masonic District will be held at the Cincinnati Masonic Center

If you know of anyone interested in completing the degrees of masonry, submit their petitions NLT the February Stated, 15 February
